Abilene Woman Found Alone Almost Dead, Sunday, Near Guthrie

About nine o'clock Sunday morning while Mr. and Mrs. Oscar Maples were on their way to visit Mrs. Maples' mother, who resides about 24 miles west of Guthrie, they passed a car that had left the road about five miles south of Guthrie.

The car was across the bar ditch astride of a fence, facing north, on the east side of the road. Mrs. Maples glanced at the car as she passed it and observed that it was evidently a recent accident, and caused Mr. Maples to stop and back up.

The woman, whose name proved to be Mrs. J. E. Puett of Abilene, was found under the fore part of the car, crying for help. She asked them to get a jack. The car was upright and headed back north, opposite to the direction she had been traveling. This would indicate that the car swerved from the right side of the road to the left, into the ditch and out upon the embankment.

Mr. Maples released the woman by means of the jack and then prepared his car to rush her to aid. It was with difficulty that Mrs. Maples succeeded in getting a passing car, carrying to men, to stop and assist in getting the injured woman in the car. She was a large woman, about 65 years of age.

Mrs. Puett was suffering from internal injuries, had considerable cuts from wire on her right arm below the elbow, and on one leg below the knee. Her body was caught under the front axle of her Dodge coupe, close enough that it was impossible for her to get out without help. She was conscious and told them something went wrong with the car, and she was interested in her personal effects. Her coat and pocketbook were found near by. She said she had come from her nieces in Childress but did not want them told of the accident. She told who she was and where she lived, and was con-

cerned about the condition of her car, her glasses, etc.

Mr. and Mrs. Maples brought Mrs. Puett on to Aspermont and called Dr. Dodd, who glanced at her and told them to rush the patient on to the Hamlin hospital.

After getting the woman to the hospital her husband and other relatives were called but by the time they arrived she was unable to recognize them. Death came at about 1:30 P. M.

At Aspermont, Mr. Maples asked for a wrecker to go out and get the car and it was found to be in running order and later on in the day parties from Hamlin drove it to this place and later it was driven on to Abilene.

The body was prepared for burial by the Maples Funeral Home and was taken, late Sunday, to Corbon for burial.

BARROW CO. BUYS NEW FUNERAL COACH

R. Y. Barrow, manager of the Barrow Furniture Co. and Funeral Home, made a trip last week to Freeport, near Chicago, to purchase and drive back a new funeral coach and ambulance.

Mr. Barrow arrived Friday night with the latest design in auto funeral equipment—it is a Henney-Packard. This coach has all the latest conveniences and comfort attachments, including fans for the rear compartment, heater and radio. The finish is black with grey stripe, with the Burgundy-mohair upholstery. It is equipped with hydraulic brakes, and in every detail its equipment is suitable for any community or city.

Mrs. J. A. Wilhite returned to her home in Harlingen, Friday after spending a few weeks here with her parents, Dr. and Mrs. L. S. Magee.

GIRLS SCOUT HUT DEDICATED SUNDAY

The reception of guests and the hospitality shown by the officers and members of the Hamlin Girl Scouts, Sunday afternoon, made all present, proud of them.

The program of dedication was full of interesting thoughts, and from every angle the occasion was termed a credit to our little city. The register shows a large number out for the occasion.

FROM THE GIRL SCOUTS:

Below is an expression from the Girl Scouts, voicing their sentiments to the people of Hamlin:

"The Girl Scouts, their Captain, and Lieutenants, wish to extend their heartfelt appreciation to all who are concerned in paying for, getting, and building the Girl Scouts Cabin.

"First, we want to thank the Girl Scout Committee: Mrs. M. T. Hudson, Mrs. M. T. York, Mrs. Tom Teague, Mrs. Bob Barrow and Mrs. Eckler. This committee has really worked and it is to these ladies that the Scouts are most indebted. Through their untiring efforts and dreams for the future of our girls, they raised the funds with which to build the cabin and then they saw that it was built. The Girl Scouts drew up plans for the new cabin and Mildred Barrow's was selected by the committee. It was the plan by which the cabin was built.

"The Scouts are more appreciative than they can express to their many friends who donated money, materials and labor.

"To the following contributors, we want to express our thanks and gratitude."

Paul Johnson, son of Mr. and Mrs. Ed Johnson of Hamlin, will receive his Bachelor of Arts degree this June from Sul Ross College, Alpine. He is a graduate of the Hamlin High School and is taking his major in Mathematics.

Mr. and Mrs. F. A. Sylvester and son, Bobbie, of Franklinton, La., were here last week to visit with their brother Aubrey R. Smith and wife. These people formerly resided in the Flat Top community.

MORE AIR COOLING PLANTS INSTALLED

Conditioning air is becoming a common thing in Hamlin. Just this week in addition to the ones mentioned a few weeks ago, two more plants for air-cooling have been installed.

The Reynolds Drug is about ready to turn on their cooling system. It has a big capacity and an extra large pumping system to keep the water changing to meet the amount of incoming air.

Creed Smith's Service Barber shop has installed a 2,500 cubic feet cool-air circulator, that has already proven it will make a big difference in the customers feelings while in the chair. Besides the cooling plant, Smith is having his shop retouched with new paint or enamel colors. And to go with all this, we notice that, W. C. Moore, a barber who was burned out some months ago, is now associated with the Service Shop. All these things are steps to make Hamlin a better place in which to live, make a living and attract more people. Come on to Hamlin—there are a lot of places not near so good.

SHIPPING CATTLE FROM HAMLIN

The past two weeks, Fed H. Britton and Dick Low have handled a lot of cattle out of Hamlin to other points and into Hamlin.

In their several shipments, 250 head of heifer yearlings were shipped to Kansas 250 calves and 250 cows were shipped to St. Jo, Missouri and 220 head of year old steer yearlings were shipped out Tuesday to the Mullin Ranch at Channing, Texas.

Three cars of mixed beef stuff were sent to Ft. Worth market.

To build up their herds, a shipment of 275 cows and calves were received from the Marfa country.

BAPTIST CHURCH

On last Sunday morning we announced there would not be any church services at the 11 o'clock hour but that we would go to the school auditorium for the graduation exercises. Since then the plans have been changed and we will have our regular service at eleven o'clock. We will go to the auditorium for the evening hour.

Let every one be on time for Sunday School at 9:45.

J. Henry Littleton, Pastor.

TO THE PUBLIC

On last Thanksgiving Day an organization was set up to look after the charity of our town. Since that time we have not had to ask anyone for any money. Now we have spent every penny that was in the treasury.

At a meeting of your committee, we ask Mrs. Bill Rountree to make a canvass of the town for funds so we could carry on. We try to be as careful as we can and help only those in dire distress. We appeal to you to help when Mrs. Rountree sees you. J. H. Littleton, Chairman.

PLEASING

Did you ever notice the difference it makes when you have a pleasing, social bearing toward your fellowman—it makes a lot of difference in your feeling if you feel the other fellow is pleased, and what a difference it makes if you are pleased and in some way show it. Maybe what you get is not just to the dot as you would have it... but a little expression of appreciation helps improve... not only the person doing something for YOU but it helps YOU to show that you have a heart of gratitude.

POLITICAL SUGGESTION:

The Herald has observed that this community is not getting equal opportunity from "politics," in Texas, and never has. It may be that the geographical location of Hamlin has something to do with it, and maybe it is because we have no "politicians" in Hamlin. It certainly is NOT that Hamlin is unfriendly to candidates. Hamlin is a "friendly Hamlin" and here is keeping a dollar to a prairie dog hole, that every candidate will have a friendly, respectful hearing if he cares to speak in this city. The Herald will vouch for that and regardless of what the candidate may advocate, as long as it is in keeping with our free Democracy of America. Come on Mr. Candidate, somebody in Hamlin will listen to you and maybe somebody in Hamlin will believe in you enough to vote for you, and everyone will have courtesy enough to treat you right. If one will be liberal in thought, he will find that most any man, asking for office will have something that will be interesting and perhaps enlightening.

Hamlin should have a "political committee" whose duty it shall be to arrange for, receive and entertain (to some extent) every candidate who may come here with or without an invitation. It might be worthwhile. One can not tell who might be "our official."

The best publicity this community can get is that she delights in entertaining candidates, all kinds and all sizes.

A GOOD LETTER

Carbon, Texas, May 16, 1938.

Mr. Bowen Pope, Hamlin, Texas

Dear Sir:
Enclosed find \$1.00 for which please send your weekly paper.

I have read the challenge from Mr. Ted Russell, president of the Hamlin Chamber of Commerce, in the Abilene Reporter-News, dated May 14th.

I have great faith in oil being found in the City Limits of Hamlin. In a dream thirty years ago, when I was a resident of your town, I saw a gusher there, and, although laughed at,—the dream is as real as if it was yesterday.

If anyone interested in the oil development of Hamlin would be interested, I would be glad to talk with them about it.

Yours for a bigger and better Hamlin.

Respt.
Mrs. H. Hall.

MR. BALLEW'S MOTHER DIED

SUNDAY NIGHT, AGE 93

Early Monday morning, J. S. Ballew received a message from his sister that his mother, Mrs. Mary Ballew, had passed away Sunday night at a hospital in Talladega, Alabama. She was 93 years of age. She leaves five children, two sons, J. S. Ballew of Hamlin, and J. R. Ballew of Chattanooga, Tenn., and three daughters, two residing in Ashland, Ala., and one in St. Petersburg, Florida.

Mr. Ballew and his wife and son, Lowel and wife, made a trip in March to see his mother. They were at her home eight days and she was so strong and active. Mr. Ballew said she got up each morning and made up her bed and went about the house like the rest of the folks. However, about two or three weeks before her death she fell and broke a hip and was carried to a hospital, but her age was against her recovery. The distance was too great for the Hamlin son to attend the funeral.

He is survived by his parents, Mr. and Mrs. W. E. McLendon, one daughter, Margaret, age 10 and several brothers and sisters.

THIS IS NATIONAL AIRMAIL WEEK

Observers have noticed placards at the post office, indicating that this week is National Airmail Week.

In Hamlin not a great deal of attention has been given to it, although a local plane from Abilene was to be here at 2:00 p. m., Thursday, weather permitting.

But Old Man Weather has his way. The heavy rain early Thursday morning fixed the landing "prairie" in such a wet condition that nothing but a hydroplane could navigate the "port."

lation to have a creditable lot of matter for the air, in Hamlin ready for the plane, in the event that it could land here, there was a considerable amount of mail ready.

Speaking of "Air port," Hamlin has perhaps the most natural ideal landing field of any town in Texas. It is a broad expanse of land in the north part of town, large and level, and to make it all-weather, only a hard-surface runway is needed. It is right on the highway, close into town. Among many things that this community needs is some improvement on the airplane landing. There is some way by which this community can get outside assistance for airport improvement, and then this place would be "spotted" as a government airport.

O. D. Roland of Port Arthur, came up Saturday to join his wife and little daughter, Mary Lee, in a short visit with Mr. and Mrs. W. A. Albritton and family. They left Tuesday for Union City, Tennessee, to visit Mr. Roland's parents. Mr. Roland is with the Texas Oil Co., in Port Arthur.

ANOTHER NEW BUILDING

That pretty little building going up on the corner across from the Herald Office has prompted many questions the past week.

What is it—whose is it? What is it to be used for? and so on.

In the first place Shelburne & Son are the builders, and we understand Bill Bullard is the man having it built and two popular young men—to be announced later, will operate an ice cream-summer food stand there—its a good place too—and the little building will be a neat addition to the "Herald Square." By the way, Hamlin formerly centered at that intersection, bank, dry goods stores, drug stores and groceries—who knows but that some day this corner will be bigger and better!

SINGING CONVENTION

The Jones County North-side Singing Convention will meet this Sunday afternoon at Hanah, beginning at 1:30 P. M. Everyone is urged to be present.

One reason you hear CLEARLY...

Western Electric
telephones are made to work together

* Western is manufacturing and supply unit for the Bell System

Whether you're talking across the street or to San Francisco, it doesn't "just happen" that you hear clearly and easily over the telephone. One reason you can do it: Western Electric telephones, precision manufactured for the entire Bell System, are the same all over the country. You might say they're "tuned" to each other, somewhat like radios to a broadcasting station.

If telephones and equipment weren't uniform, voices might not be clear. It would be vastly more difficult for us to give you the good service at low cost that you have come to expect.

Torn From Homes by Tornado, Electric Refrigerators Still Provide Ice, Food Protection

FOLKS who spend good money for a refrigerator are buying a specific Service. In addition, their purchase should give them a guarantee of Safety. The folks who many years ago bought the two electric refrigerators pictured above bought both Service and Safety. A recent tornado in a small West Texas community proved this point. Buildings crumbled around them and the wind tossed them into the street like a fretful child discarding a toy. But—these electric refrigerators operated perfectly when picked up and connected to an electric socket the following day. That IS Service! There was no damage resulting from refrigerant fumes. That IS Safety!

SURPRISE BIRTHDAY DINNER

Mrs. Harber gave a surprise dinner Sunday, May 15th, honoring her husband, H. C. Harber, on his birthday.

A bowl of beautiful vari-colored phlox mingled with baby breath adorned the center of the table, with places for 14 guests. Needless to say the table was loaded with good things to eat, and Mr. Harber was very much surprised when three cars drove up loaded with unexpected dinner guests.

Some way Mrs. Harber had put one by him in preparing the eats. Greetings were exchanged, gifts received and a very enjoyable day for all.

Those present were Mrs. T. J. Harber (mother), Mr. and Mrs. W. W. Harber, Mr. and Mrs. O. L. Harber and little grandson, Mr. and Mrs. T. E. Harber, Mrs. Belle Schunealt and daughter Willie, and Mr. and Mrs. Oma Woodrum, all from Abilene. —Contributed.

WE THANK YOU

The Seniors of the Hamlin High School wish to take this opportunity to express their gratitude to the ladies of the Baptist Missionary Society for the things which they have done for the Seniors. First, they furnished transportation for all Seniors desiring to go to Hardin-Simmons University for Senior Day April 30. Next, they entertained the Seniors with a very lovely reception Thursday evening, May 12. On account of the weather, there were many Seniors, who live in the country, unable to come. But those present really enjoyed the reception and those absent regret not being present. Again we wish to thank you ladies.

APPROACHING MARRIAGES ANNOUNCED AT TEA

Mrs. W. L. Boyd entertained in her home on Jackson Avenue, Saturday afternoon from three to five o'clock with a tea to announce the approaching marriages of Miss Kathryn Adkins and Miss Pat Allbritton. Miss Adkins is the bride-elect of Mr. Delma Shelburne, son of Mr. and Mrs. T. E. Shelburne of this city. Their wedding is to take place at the home of the brides' aunt, Mrs. Ira Clements, Saturday, June 4. Miss Pat Allbritton, daughter of Mr. and Mrs. C. B. Allbritton of Waco, will become the bride of Mr. Arlie Cassle, son of Mr. and Mrs. J. H. O. Cassle, of Hamlin, in a wedding which will take place in the home of the brides' parents in Waco, Saturday, June 25.

Decorations for the affair emphasized a color motif of blue and white. Roses were used to decorate the reception rooms and the dining room where tea was served. The table was covered with a lace cloth and centered with an arrangement of carnations, Queen Anne's lace and rose buds. White candles burned in crystal holders.

Mrs. Henry Allbritton welcomed guests and presented them to the hostess. Receiving with her were the honorees, Miss Adkins and Miss Allbritton, Mrs. T. E. Shelburne, Mrs. C. B. Allbritton and Mrs. H. O. Cassle. Miss Ruby Thompson directed to the tea table where Mrs. J. H. Littleton and Mrs. Tate May poured tea. Others assisting in serving were Meses. Phil Sparkman and Marvin Hampton, of Sweetwater, Miss Pauline Harrell and Miss Alpha Moore. The announcement of a tiny blue book tied with white ribbons, was placed on the tea plate. It contained two chapters which read, "Chapter I. Kathryn and Delma, June 4, 1938." Chapter II. Pat and Arlie, June 25, 1938."

Miss Geneva Allbritton invited guests into the room where Meses Margaret Rowe, Hermona Shadle and Zelma Wilson received cards. Goodbyes were said by Mrs. J. Oliver Jones.

For the occasion Miss Adkins wore an attractive afternoon frock of blue marquisette showered with flowers in pastel shades. Pink carnations formed a shoulder corsage.

Miss Allbritton's dress was a Gibson Girl model in two shades of blue with a cerise belt. She wore a coiffure arrangement of red roses.

SENIORS HONORED

WITH RECEPTION

Another pleasant memory which will be cherished by the Hamlin High School Seniors of 1938 was the reception, Thursday evening, May 12 in the basement of the First Baptist church when the W. M. U. entertained the Senior class and a few invited guests.

The class colors of purple and gold were featured in all appointments. In the reception room bouquets of purple and yellow flowers formed the main decoration, and the same color scheme was used in the programs which were cut in the shape of the Hamlin High School building and pen sketched with diploma, cap and gown.

Mrs. W. A. Allbritton greeted guests at the door and presented them to Mrs. J. Henry Littleton who headed the receiving line in which were Meses J. L. Keen, Tate May, J. Burke and H. O. Cassle. Punches served from a prettily decorated table by Mrs. Tom Shelburne and Mrs. Roy Carmichael. Programs are offered by Mrs. Dode Sanford and Mrs. Loyd Sebastain. Guests are directed to seats by Mrs. W. D. Bell and Mrs. G. P. Odom. During assembly, piano selections were played by Mrs. Earl Smith.

The program was opened with invocation by Mr. C. G. Green. Mrs. L. Keen extended welcome to the seniors and Tom Scarborough responded for the class. Dr. Richard H. vice-president of Hardin-Simmons University, was the main speaker for the evening taking as his subject, "Why Go To College." The Estes, of Abilene, delightfully entertained with accordion and listling numbers.

At the conclusion of the program, cream, angel food cake and mints were served. Favors were small bouquets tied with ribbons.

Other guests besides the seniors were Mrs. C. C. Prater, class mother, Mrs. Ruby Thompson, class sponsor and Mr. C. G. Green.

The thirtieth year of the Woman's Literary Club was officially ended Friday morning with a breakfast in the home of Mrs. J. H. Littleton at 9:30 o'clock. Pink and green, the club colors and the pink rose, also symbolic of the club, were used for decorations.

Pink roses on a mirror reflector centered the dining table and vases of pink rose buds formed centerpiece for the group of quartet tables where places were marked with hand painted baskets of spring flowers. Grapefruit in rose-petal baskets was the first course of the menu. The main plate which held Canadian bacon, potato cones, stuffed tomatoes, hot biscuit and coffee was followed by strawberry tart.

Reports on the meeting of the First District which was held recently in Fort Worth, were given by Mrs. Loyd Sebastain, Mrs. R. D. Moore, Mrs. Tate May, Mrs. Art Carmichael and Mrs. Littleton.

In installing the officers who are to direct the club for the next year, the president, Mrs. B. M. Brundage, presented the incoming president, Mrs. Loyd Sebastain, and then asked each officer to introduce the member who had been chosen to succeed her in that office. A piano number was given by Mrs. Earl Smith.

METHODIST CHURCH

Since the school authorities have changed the baccalaureate services to the evening hour we will have our regular service at the morning hour, Sunday school at 9:45. Preaching at eleven. Dr. C. A. Bickley will preach at this hour and hold the third quarterly conference either at the close of the service or in the afternoon. Of course we will call in our evening service. As pastor I wish to express my sincere thanks to the school authorities for changing their services to the evening hour. It is hurtful to the church to call in the morning service. Though we can call off our regular evening service without nearly so much hurt. I appreciate the attitude of our teachers toward the churches. They have always given the most hearty co-operation.

We are about to set up in our new home. Each member of the family is as proud of this parsonage home as we can be. In the near future we will have a house warming and at that time we want everyone who helped in anyway, either by money, or labor or material or good wishes, to come and look through the home and enjoy a social evening together.

H. W. HANKS, Pastor.

PASTOR AND WIFE GAVE

DEACONS A FISH FRY

Monday was the birthday of the pastor of the Baptist Church—Just how old?—Nobody knows, but in a "conspiracy" between his wife and the Deacons, a complete surprise was given him at the Lueders, Campgrounds, following a sumptuous "Fish Dinner" on the ground.

The facts of the case, his wife and the deacons had a frame up . . . under the guise that she and Brother Littleton were treating the board of deacons to a special early evening picnic at Lueders.

Fourteen of the nineteen deacons were present, their names as follows: H. O. Cassle, W. E. Benson, Tate May, Ted Russell, J. W. Ezell, W. L. Boyd, J. Ubben, Tom Shelburne, J. W. Hines, W. M. Chambers, A. I. Patterson, L. E. Adams, W. A. Allbritton and M. P. May. Those absent, L. E. Fielder, E. F. Faurey, T. D. Stell and Horace E. Brown. All the widows of the deceased deacons were invited, namely, Mrs. J. E. Money, Mrs. John Eakin and Mrs. J. D. Farrow. Only the latter could attend.

Mr. and Mrs. James A. Littleton, Mr. and Mrs. O. J. Cotten and daughter, Mr. and Mrs. Stephenson and daughter and Mr. and Mrs. E. M. Collier and son and daughter, all of Abilene, were present and surprise guests invited by the pastor's wife.

The "program" of the occasion started when Deacon Russell jumped up and began talking about how well the pastor had taught the deacons and members of the church to "give. . . Ted all the while holding a nice sized package in his hand. This young deacon is gifted in making things sound big and it was with much gusto that he came to the point in all his solemn expression and presented the pastor with the present.

Rev. Littleton will not be outdone, often. He brought his highest sounding adjectives in play to tell what fine deacons he had and how he appreciated the birthday gift—the speech was also for his Abilene kinsfolks . . . finally the onlookers ask to see the present . . . after much unwrapping and fumbling a little 'ole pale looking two-necktie showed up . . . Henry Littleton could not meet this "emergency"—he had the "dry grins" . . . it was some gift that was.

H. O. Cassle, chairman of the board, noted for his seriousness came forward to make apologies and atone for Ted's display of generosity . . . finally coming to his point H. O. poked out a small bit of paper telling Pastor Littleton this bore the expression of the way the Board felt about him. After the tie-let-down, the pastor somewhat hesitated . . . maybe it was a request for his resignation, or maybe just some more fun . . . but things had gone too far, the pastor must take it and the pastor must read it . . . He read "This is an order on . . . firm in Hamlin to fit J. Henry Littleton with a choice summer suit of clothes—signed, The Board of Deacons."

What a perfect evening for the host, hostess and assembled guests. By ONE NOT THERE.

BASEBALL PLAYED AT McCAULEY

Wise Chapel defeated the McCauley Red Caps, here Sunday afternoon by a score of seven to three. Errors by the McCauley players, proved costly in the first inning. The same teams meet again in the Hamlin Park, Saturday afternoon. Game called at 2:30 p. m., come see a good game. Gate free.

One of the largest crowds of the season turned out to see the game in McCauley, Sunday. The old-time base-ball spirit was in the air. When fans back up their home team it makes the boys fight to win, and plenty of good games will be played this season in the Hamlin community league—Turn out to see the boys play, and root and toot for your home team.

For a limited time only there will be a special price of \$10.00 for a membership in the Lakeview Golf Club.

This offer is good until June 10th or until the club membership reaches 50 members. There will be a limit of 50 members and if this is reached before June 10th the membership fee will automatically go back to \$25.00 and each applicant, therefore, will be placed on a waiting list.

This is a big opportunity to have a membership in a live golf club as well as the privilege of playing on one of the sportiest golf courses in this section.

The charter members have spent several thousand dollars for improvements the last few years. See H. W. Carter, Secretary.

Mrs. Ross Dillard came home Monday from the State Sanatorium at Sanatorium, Texas, after being there a number of months.

HAMLIN SENIORS VISITED

CARLSBAD CAVERNS

The greatest day in the lives of Hamlin High School Seniors came when they started their three-day trip to Carlsbad Caverns.

Early Friday morning, May 6, sixty-one Seniors and their chaperons—Miss Irene Thompson, Mrs. Ed Bailey, Mrs. C. C. Prater, Mr. and Mrs. Roy Gilbreath, Mr. C. G. Green and their sponsor Miss Thompson, boarded the 3-school buses, driven by Mr. and Mrs. Johnson, Mr. Brianscum and Mr. Maynard. They went by Roby, Snyder, Post, Tahoka, crossed the state line at Bronco, Tatum, Roswell and Carlsbad. They visited the Bottomless Lakes in the New Mexico State Park, just this side of Roswell. Some of the girls went in the pool, and some of the boys who were brave went swimming in the Bottomless Lakes, but don't you believe one little boy when he says he stumped his toe in the Bottomless Lakes. Other Seniors went rowing. Ask Miss Thompson how she felt when from the center of the lake, she saw 4 or 5 girls push off in a boat by themselves. They went from there to Roswell, where they visited New Mexico Military Academy. Roswell is a beautiful city. The Seniors saw several people they knew in Roswell and they were glad to see them. From Roswell we went through the city of Carlsbad to Black River Ranch where they spent the first night. This is a beautiful oasis in the center of the desert. It is a dude ranch with camps built on the Black River. The cabins afford grand accommodations; there is a place on the river for rowing, swimming, and fishing; horses could be obtained for riding.

Saturday morning they left early for the renowned Caverns. They spent the entire day going through this most beautiful place, and every one came out tired but happy. The climax of the journey was the ceremony that accompanied the visit to the Rock of Ages. Everyone was seated when the lights were turned off and for the first time in their lives the people in the Caverns were

in complete darkness. Out of the darkness came beautiful voices singing "Rock of Ages." At this time a report of the number of people in the Caverns and where they were from was given. Over half the people were from Texas—and this news was received by a hurrah! for Texas!

From the Caverns the Seniors went to Camp Dixie in Carlsbad to spend Saturday night. They thoroughly investigated the city.

Sunday morning we anxiously started home, returning by way of Corral, Pecos, Monahans, Odessa, Midland, Big Spring, Colorado, Sweetwater, Roby and then Hamlin.

If you are really interested in the Senior trip, find the answers to the following questions:

Do the Seniors like Western Texas sandstorms? Was there some candid snapshots taken? Which bus had three blow-outs and ran out of gasoline? Does everyone love our Senior sponsor? Did some boys spend more money than others? Why? Did Hamlin boys like Pampa? Did anybody flirt with the load of girls? Ask the men in the Dodge! Is it true that Seniors really took Mr. Green to the Carlsbad Caverns (instead of his taking them)? Did the Seniors really have a good time? What was the favorite colors on the trip? Is Mr. Green a good sport? Did anybody take the elevator out of the Caverns? Were they sissies? Did the Chaperones have a good time? Do

LOCAL NEWS FROM FAR AND NEAR

(By TRESSIE BROWN)

Here we come after several weeks of absence.

Mr. and Mrs. Dudge Greenway and family, of Rotan, visited relatives in and around Hamlin last week.

Miss Lura Brown left Friday to obtain a position in the home of Mrs. Hardy and daughter, Bernice of Rotan.

Mr. and Mrs. John Greeway and little sons, of Roby, and Mr. and Mrs. Arza Brown and little son visited T. S. Brown and family Sunday.

Miss Neva Dell Neal, of Boyds Chapel, spent the week end with Miss Nadine Bingham, in Neinda.

Our community again had the opportunity of enjoying the regular third Sunday meeting, held by our pastor, Rev. Gray. We appreciate the attendance and interest of others than regular visitors.

The singing at Boyds Chapel was a real success Sunday. I'm sure everyone enjoyed the singing and crowd. The choir sure is progressing nicely, and look! someday, they will have a real group of singers.
